

A few years ago, we had a successful "Taste of Gloucester" buffet. This year, we are co-sponsoring with the Chepachet Grange a "Ham and Bean Supper". It's at 5:30 so you can still make St. Eugene's mass or if you have plans for later, plenty of time. You can join friends and neighbors to catch up on the news before the busy holidays in November and December are upon us. Volunteers are needed.

Hope you can join us on October 27th.

Thank you for your support in advance,

Marie Sweet, President
